WHY ATTEND?

LEARN HOW TO EARN SUPPLEMENTAL INCOME FROM YOUR LAND

We provide invaluable information about generating supplemental income from your property. Whether you have considered an outdoor business or already have a business that you wish to expand, the information at this workshop will help you.

TALK DIRECTLY TO EXPERTS AND BUSINESS OWNERS

Dynamic presentations will allow you to ask questions and talk to legal experts, wildlife habitat specialists, local outdoor business owners and more.

LEARN ABOUT DIFFERENT OUTDOOR BUSINESSES

Not sure what business might be right for you? We’ll talk about the various types of outdoor businesses, including the pros and cons and income potential of each. Examples include outdoor recreation businesses such as hunting leases and agritourism.

GET IN-THE-FIELD HABITAT-MANAGEMENT TRAINING

The afternoon field session will provide an opportunity for hands-on training about wildlife habitat management as experts provide tips and show you examples. You will have the opportunity to ask questions throughout the tour.

NEED MORE INFORMATION ABOUT THE NRE PROGRAM?

Visit the Natural Resource Enterprises program website at www.naturalresources.msstate.edu for information about what we do, how to start a business, how to operate a business, how to grow a business and more.

$1.
