

## Earn supplemental income

Whether you have considered an outdoor business or already have a business that you wish to expand, the information at this workshop will help you. Earn additional income utilizing the natural resources available to you.

## Talk directly to experts and business owners

Morning presentations will allow you to ask questions and talk to legal experts, wildlife habitat specialists, local outdoor business owners, marketing specialists, and more.

## Learn about different outdoor businesses

Not sure what business might be right for you? We'll talk about the various types of outdoor businesses, including the pros and cons and income potential of each. Examples include outdoor recreation businesses such as fishing and hunting excursions, wildlife watching, kayaking, hunting leases and agritourism.

## Need more information?

Visit the Natural Resource Enterprises program website at [www.naturalresources.msstate.edu](http://www.naturalresources.msstate.edu) for information about what we do, how to start a business, how to operate a business, how to grow a business, and more.

The Natural Resource Enterprises program is a partnership between Mississippi State University's Extension Service, Forest and Wildlife Research Center, Agricultural and Forestry Experiment Station and the U.S. Fish and Wildlife Service.
