Why Attend?

- **Earn supplemental income from your land**
  We help landowners learn about generating supplemental income from their property. Whether you have considered an outdoor business or already have a business that you wish to expand, the information at this workshop will help you.

- **Talk directly to experts and business owners**
  Morning presentations will allow you to ask questions and talk to legal experts, wildlife habitat specialists, local outdoor business owners, accountants, marketing specialists, and more.

- **Learn about different outdoor businesses**
  Not sure what business might be right for you? We'll talk about the various types of outdoor businesses, including the pros and cons and income potential of each. Examples include outdoor recreation businesses such as hunting leases and agrotourism and businesses based on harvesting the resources on your land (i.e., Christmas tree farms and u-pick farms).
