Why Attend?

- Improve wildlife habitat on your land
  Learn about habitat conservation practices to enhance recreation and fee-access leasing potential on your property.
- Talk directly to experts and business owners
  Morning presentations will allow you to ask questions and talk to legal experts, wildlife habitat specialists, local outdoor business owners, accountants, marketing specialists, and more.
- Learn about different outdoor businesses
  Examples include outdoor recreation businesses, such as hunting leases, fee fishing, and nature-based recreation (i.e., horseback riding, birding, wildlife watching, nature trails).
- Need more information?
  Visit the Natural Resource Enterprises program website at www.naturalresources.msstate.edu for information about what we do, how to start a business, how to operate a business, how to grow a business, and more.

Schedule

Registration begins at 8:30 am and the program begins at 9 am. The program will wrap up at approximately 3 pm.

Morning presentations (indoors)
- Legal considerations: reducing liability on your property
- Habitat management for deer and turkey on your property
- Waterfowl and wetlands management
- Wetlands reserve and conservation easement opportunities
- Hunting club operations and land management practices
- Revenue potential of leasing lands for recreation

Afternoon presentations (in the field)
- Carbon payments for landowners
- Bottomland hardwood forest management
- New Farm Bill Program opportunities
