Why Attend?

Earn supplemental income from your land
We help landowners learn about generating supplemental income from their property. Whether you have considered an agritourism business or already have a business that you wish to expand, the information at this workshop will help you.

Talk directly to experts and business owners
Morning presentations will allow you to ask questions and talk to experts in agritourism, recreational enterprises, direct marketing, regional food systems, bed and breakfasts, nature trails and botany.

Learn about different outdoor businesses
Not sure what business might be right for you? We'll provide you with resources from two universities, Mississippi State University and the LSU AgCenter, along with local experts to help you get started.

Need more information?
Visit the Natural Resource Enterprises program website at Mississippi State University www.naturalresources.msstate.edu
